

From the SportUni (3) you walk only ten minutes to meet us (1); from “Stadtteilbüro” (2) five minutes!

Let us do some computing together!
Join CCC FFM to reconstruct 8 PCs for the refugees to access internet without costs!

Starting Monday, 23th of November, 2015, at 19:00h, in Rödelheimer Straße crossing Schloßstraße, ground floor. The entrance is right hand side of „Matratzen Concord“ and well indicated by posters in the windows.

News:
ccc-ffm.de/4refugees/

CCC FFM is a Frankfurt non-profit association for hobby computing of IT professionals and practitioners.

We do not regard the respective age, sex, ethnic or cultural knowledge and social situation! To communicate freely across borders and learn all implications of information technology on society and the individual is our aim.

A minimum of IT knowledge and spoken English or German should be available.

You can contact us using <mailto:noreply@ccc-ffm.de> or just come to see us!
